DEPUTY CLERK

Dear Your Honor Carlson;

8-30-21

Sir, Somehow theres been some confusion as to rather I sent you a letter requesting an ajournment. My son talked to a lady at the Harrisburg office and she suggested I mail another letter, so here it is. The deadline is September 8, I need that extended for as long as you can your Honor. I already mailed you what I call my discovery just because I was unsure what was going on. Ive mailed multiple letters to the Williamsport ~~the~~ office. Now rather they made it out of here is beyond me. Thats goes for the same as my discovery that I mailed ~~to~~ to your office Sir. That should've went ~~at~~ today. The mail system here is corrupt Sir in more ways the one. If you grant me the extension I would like to have an attorney look at that discovery Sir. You can keep that one though, I have a copy. If you could please send my son whatever you send me. There should be a P.O. A on file. I hope you receive this and my discovery. Thank you for your cooperation.

Dear Your Honor Carlson;

Sir, I guess I don't understand what your latest correspondence means. I understand that you granted my motion seeking additional time to locate and retain counsel but the deadline date of September 8, 2021 is still the same. Everything I do Sir has to be done by mail and as I have explained the mail system here is not reliable at all and that's an under statement. Therefore that is why I requested for more time. As much as you can grant me Your Honor. I just don't have the know how to proceed as pro se Sir. I wish I did, nobody knows what happened better than myself. One tends not to forget a life altering event as I have had. I'm sorry about all the letters Your Honor but I wanna be sure one finds ^{you} you. Could please keep sending my son whatever you send me. I certainly appreciate it Your Honor Sir.

Sincerely,
Robert J. Murray
